

Giving Grace – Free Store was formed to serve the community and those that reside in it, by providing items to those in need. We are an official 501c3. Our objective is that all daily needs are available free of charge to anyone that visits our store. We are working directly with the staff at our local schools to provide students with resources and our local food pantry.

Whether our patrons have fallen on hard times or just need a little grace – we want to meet their needs. We are seeking the following donations: new blankets, new pillows, new flat sheets, new pillowcases, cups, plates, silverware (can be disposable), cleaning products, soap, shampoo, lotion, deodorant, toothbrush, toothpaste, hairbrushes, feminine hygiene products, new towels, washcloths and child and adult socks & underwear. We will also accept any gently used kitchen utensils, home goods, books, toys, and clothing. Finally, we are seeking these specific sponsorships to help Giving Grace run at its full potential.
